

Quality Measure Education Webinars

The BIDCO Quality Team will host a series of webinars to explain the new quality measures in our Pioneer ACO, Tufts Health Plan Commercial, Blue Cross Blue Shield Commercial, Harvard Pilgrim Health Care Commercial, and UnitedHealthcare Medicare Advantage contracts. During the webinars, the team will offer recommendations on how to maximize your operational success in these measures through workflow, documentation, and billing considerations. We encourage clinical staff and Quality Champions from each practice to attend a webinar, and attendees will have the opportunity to ask questions. The webinars are scheduled for:

- Tuesday, March 15, 2016 12 - 1 p.m.
- Friday, March 18, 2016 8 - 9 a.m.
- Wednesday, March 23, 2016 4 - 5 p.m.

You can also access the webinars by phone by dialing 1-719-867-1571 and using passcode 923641.

NOTE: Be sure to check that your pop up blocker is temporarily disabled during the webinar. If it is not, you will see a yellow band at the top of the page indicating that the pop up blocker is on. You must disable it to join the webinar. You can do this by opening the Internet Explorer, selecting Tools from the Main Menu, selecting "Pop-up blocker", and select "turn off pop-up blocker."
